

↑**up**Centric® Executive Series

Height Adjustable Desk

ergoCentric®
The science of sitting®

Designed for comfort, performance and style.

Executive Desk
Shown with return

The upCentric® height-adjustable executive desks combine modern ergonomics with executive-level design, offering both sophistication and flexibility. They allow users to seamlessly switch between sitting and standing positions, promoting comfort, productivity, and a healthier work style - all while maintaining a refined, professional look.

Executive desks offer generous work surfaces and can be used in various configurations, including L-shaped and U-shaped.
