

Due to overwhelming demand,
we are experiencing a fulfillment backlog.

As a result of the current high volume of orders received, we are experiencing brief delays with order fulfillment. Most orders should ship 5-7 business days later than originally estimated. This backlog should be alleviated by 31 January 2018.

As we continue to grow, our additional 46,000 sq. ft. manufacturing facility at Chedworth Way will assist us in avoiding this situation in the future.

We apologize for for any inconvenience and thank you for your patience!
