The **Zview™ Laptop Stand** is a sleek, adjustable solution that lifts your laptop to eye level, helping reduce neck and shoulder strain during extended use. Its self-balancing 4-bar linkage provides 6 inches of height adjustment and 56° of tilt for ideal positioning, while rubber strips and built-in cable management keep your setup secure and organized.

Additional features include a 15W fast wireless charger and a felt-padded base for easy, scratch-free repositioning—making the Zview a smart, space-saving upgrade for any laptop workstation.
